To Whom It May Concern,

**Recommendation Letter for Jacky Chong Kin Ye**

I am delighted to provide a strong recommendation for Jacky Chong Kin Ye, who worked in the Information Technology Department at PrimeCredit Limited from June 13, 2022. As a member of the FinTech Innovation team, Jacky proved to be a valuable contributor with a range of qualities that would make him an asset to any organization.

Jacky's adaptability stands out as one of his key strengths. In his role as a Software Engineer, he successfully managed a diverse array of responsibilities, including Systems Development, crafting Proof-of-Concepts for FinTech solutions, and collaborating effectively with both internal and external stakeholders. Specifically, he mainly worked on projects related to WhatsApp Business API Server, blockchain and OCR Technology. Throughout these tasks, he consistently delivered efficient and accurate work, maintaining the highest quality standards.

During his tenure at our financial institution, Jacky showcased his remarkable potential by simultaneously contributing to 3-4 FinTech projects, skillfully balancing multiple tasks and responsibilities. His expertise extended beyond designing, developing, and modifying software systems and applications; he also excelled in his communication with business users and vendors. Jacky consistently maintained a positive attitude and demonstrated a genuine eagerness to learn, contributing significantly to the success of numerous projects.

In conclusion, based on Jacky's outstanding performance during his time at our financial institution, I wholeheartedly recommend him for any future employment opportunities. His adaptability, multitasking skills, and enthusiasm for learning make him a valuable addition to any organization. With his strong passion, positive attitude, and exceptional sense of responsibility, I am confident that Jacky will excel in any role he undertakes.

Sincerely,
